Discrete Math Proficiency Exam Grades

Exam results will be sent to your **Albany email** account by **February, 13th 2015**. You will be sent your score on the exam and your grade.

You may receive the following grades:

<table>
<thead>
<tr>
<th>Pass:</th>
<th>High fail:</th>
<th>Fail:</th>
</tr>
</thead>
<tbody>
<tr>
<td>Passing grades will be noted on your official academic transcript and is required for degree clearance.</td>
<td>With this grade of &quot;high fail&quot;, you can complete the Discrete Mathematics requirement in one of the following two ways.</td>
<td>If you are registered for any of these courses, you must discuss your registration with the appropriate instructor. We strongly urge you to take ICSI 221 during Spring 2015 or ICSI 210 during Summer 2015 so that you can be better prepared to take the Discrete Math Proficiency Examination to be offered in August 2015.</td>
</tr>
<tr>
<td>(a) Register for CSI 210 (or CSI 221) during Summer 2015 or Fall 2015 and receive a grade of B+ or better or (b) retake the Discrete Mathematics examination when it is offered on the first day of classes during the Fall 2015 semester and receive the grade of &quot;pass&quot;.</td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

Students may review their exam according to the following schedule:

| Student that have **passed** the exam may meet with Professor Paliath Narendran **February 20th through the 27th**. | Students that receive a **fail or high fail grade** may meet with Professor Paliath Narendran **February 13th through the 20th** to discuss. |

All questions or concerns regarding the Spring 2015 Discrete Math Exam should be concluded by February 27th.
