

CSI661 – Data Mining: Assignment #2, Part B

Due: Friday 04/21/04 9am.

Worth: 10% of Final Grade

Late Policy: You lose one full grade for each week (including partial weeks) you are late.

Read the instructions carefully.

In Part A of this assignment you discussed the strengths and weaknesses of a concentration area.

Part B)

1. **Focus on a single previously discussed aspect of your critique.**
2. Discuss this item in greater detail than Part A) (1-2 pages).
3. Describe a **principled** approach to improve upon the strength or weakness (2 pages).
4. Describe in detail the methodology your plan to use to verify the proposed improvement will work. Include details stating how you will conclude the improvement is significant. (2 pages).
5. Your aim is to convince the reader of two items:
 - a. Your proposed improvement is reasonable
 - b. Your methodology will conclude its success (or otherwise).
