The Global Game Jam is a 48-hour networked worldwide event where new computer and board games are created by enthusiasts, gamers, artists, designers, developers and anyone else who wants to learn something—beginners, students, amateurs, and professionals.

- January 28-30, 2011
- 4 PM
- Campus Center 375

Register (online or on-site):
http://globalgamejam.org/user/register

You do NOT need to be an expert programmer or gamer to participate!
